General Information

1. Artwork

Artwork Specifications: refer to page 35.

Art Charges: Non camera-ready art billed at \$30 (G) per hour. We will proceed and bill for art charges of \$30 (G) or less. For charges over \$30 (G), we will call for approval. Refer to product pages for any special art charges.

Return Of Artwork: Specify clearly on Purchase Order to return art.

2. Set-Up / Screen Charges

A charge of \$30 (G) per color applies on all orders, unless otherwise noted on individual product page (refer to each product).

Artwork and Dies: All files, artwork, film negatives or positives and dies are the property of Design•It and are kept on file for a period of no less than 2 years for the exclusive use of our customer (the company who placed the original order). Any use of artwork, film or dies by anyone other than the original customer will require written authorization from that company.

3. Change Of Copy / Ink Color

Change Of Copy: If a change is required to new or existing artwork, a new set up of \$30 (G) per color involved, will be charged unless that product does not have set up charges. Changes must be supplied camera ready, otherwise art charges will be charged at \$30 (G) per hour. **Combined quantity pricing is not available.**

Change Of Ink Color: \$20 (G) per color change within order.

4. Damage Claims

Claims for damage in transit must be reported to carrier at time of delivery.

5. Engraving

Refer to individual product page for pricing information and specifics.

6. Ink Colors

Standard Colors: Available at no additional charge. Refer to color chart on back page.

PMS Color Match: Add \$30 (G) per color match per order. Due to variations in inks and materials, we cannot guarantee exact color matches.

7. Liability / Warranty

Liability: Seller's liability is limited to credit or replacement of any portion of a shipment and shall in no case exceed the amount charged for goods.

Warranty: No warranties are expressed or implied by seller concerning the marketability or suitability of its products for any specific use or purpose.

8. Order Information

Acknowledgments: We acknowledge orders by email, fax or mail.

Phone orders: Phone orders must be confirmed by emailing, faxing or mailing the original purchase order to factory with "CONFIRMATION ORDER" written on order. Factory will not be held responsible for orders not confirmed.

Cancellation of Orders: If an order is cancelled after production has begun, the customer will be charged for work already completed. If payment has been received, factory will refund the difference.

Minimum Order: A \$ 25 net minimum order is required for all orders.

Less Than Minimum: Not available.

Exact Repeat Orders: Exact repeat orders placed within two years of the initial order require no set-up charge. You must specify your last purchase order number or factory invoice number.

Special Occasion Dates: If order must be received by a specific date, the date must be clearly marked on the Purchase Order as an "In Hands Date". In addition to the date, you must also include the method of shipment to be used to insure delivery. Factory cannot guarantee delivery after order has left our docks. If ship date cannot be met, factory will notify you.

9. Overruns / Underruns

Due to nature of custom printing, factory reserves the right to ship 5% over or under the amount ordered and bill accordingly.

10. Union Bug

Not Available.

11. Payment / Terms

Terms: Invoices are due net 30 to companies with formally established open accounts. Some accounts and orders may require a deposit. Accounts over 30 days past due will be charged an accounting fee of 1 1/2% per month on unpaid balance. NSF checks will be charged a service fee.

Credit Cards: We accept Visa or Mastercard. Please provide account number, expiration date, name as it appears on the card and billing address of credit card.

Sales Tax: Florida Customers - A current, signed copy of your Florida Annual Resale Certificate for Sales Tax must be on file in order for us to invoice without charging tax. This certificate must be in our files before order can be shipped.

12. Pricing / Quotes

Catalog Pricing: Published prices subject to change without notice.

Intermediate Quantities: If the quantity you order is between standard catalog quantities, your order will be billed at the lower quantity price. (Example: If you order 150 pieces and catalog quantity is 100, 200, etc., you will be charged the 100 piece price).

Large Quantity Pricing: Contact factory for pricing.

Custom Quotes: As a manufacturer, we are able to modify existing products or create new ones. Call factory for quotes.

Combined Quantity Pricing: Not available.

13. Production / Rush Service

Standard Production Time: Production runs approximately 10 working days after receipt of order and/or approval of artwork for catalog quantities. Refer to catalog for specific production time for each product.

Rush Service: 5 day production, add 15% of total order (minimum rush charge of \$ 40 (G)). 3 day production, add 30% of total order (minimum rush charge of \$ 60 (G) will apply).

14. Proofs

Proof: If factory does any designing or changing of original art submitted, a fax/email proof will automatically be sent at no charge for approval. Production time starts after proof approval has been received by factory.

Color Paper Proof: \$15 (G) per proof, plus art if necessary.

Screen-printed Product Proof: A charge of \$70 (A) for the actual product, plus set-up(s), art charge, non standard ink charge(s) and shipping. If changes are required on final order, new set ups will be charged.

15. Return Policy

Products may not be returned to factory without prior authorization. Please contact the factory for return authorization number. Any products not returned within **30 days from date of invoice** will be deemed accepted .

16. Right To Promotion

Unless specified in writing at time order is placed; we reserve the right to use any item we produce for display and promotion.

17. Shipping

Orders are shipped F.O.B. Central Florida. Shipping cost is billed and added to invoice. Orders are sent UPS ground, unless otherwise noted.

COD Orders: \$12.50 per box (net) COD charge in addition to shipping cost.

Shipping Weights: Shipping weights shown are estimates and include packaging. Actual weights may vary.

Drop Shipments: When the total order is shipped at one time to multiple destinations, a \$7 (G) charge will be added for each destination after the first, plus actual shipping cost.

Split Shipments: When it is necessary to ship portions of an order at a future date, entire order will be produced and invoiced at time of first shipment. Remaining stock will be warehoused. Each shipment must be for minimum quantity or more as shown for that product. A \$20 (G) charge applies to each future shipment (plus actual shipping cost). Ship dates, quantities and locations must accompany original order. Entire order must be shipped within 6 months.

18. Trademarks & Copyrights

It is assumed by this company that any artwork, copy or other material submitted for printing, including the use of logos that you have requested we use from our available artwork, is being used in full compliance with all applicable laws regarding its usage. Customer agrees to assume any liability resulting from claims against us for infringements of trademarks, service marks, copyrights, patents and personal rights.

Definition of Camera Ready Artwork:

Artwork printed on paper that is clean, crisp, black and white and production-ready, with no touch-up or change required. Multi-color imprints require color-separated artwork with registration marks. When using screens, please supply a separate solid overlay (not screened) and specify the percentage of the color to be used. The factory reserves the right to determine what is camera ready. It is advisable for reproduction clarity, the black and white art be sent 200% or larger (when product size allows).

What is Not Camera Ready Artwork:

The factory does not consider photocopies, business cards, faxes, letterhead or other imprinted products such as T-shirts, hats, napkins, patches, etc., to be camera ready artwork. However, our art department can work from these items to create your finished artwork at a cost of \$30.00(G) per hour.

Definition of Digital Artwork:

Artwork which is provided on compatible disk, ready for film output with no changes required. Artwork that is provided by electronic means but does not meet camera ready specifications will require additional work and artwork charges will apply at a cost of \$30.00(G) per hour.

Recommended Programs:

Macromedia Freehand 10.0 or higher; Adobe Illustrator 10.0 or CS or higher; Corel Draw 12.0.

Acceptable Programs:

Corel Draw, Microsoft Word, Adobe Photoshop 5.0 or higher, InDesign CS, Quark XPress 6.1 or higher, Adobe Acrobat 5.0 or higher (please make sure that all fonts are embedded to ensure proper translation of file)

Acceptable Media:

Accepted formats include: Flash Drive, DVD's, CD's, E-Mail and FTP Files. All above are accepted in Mac or IBM format.

Font Requirements:

All fonts must be converted to paths, outlines or curves. If you are unable to convert, all printer and screen fonts must be included with the job, or they will be substituted.

File Requirements:

All artwork exchanged electronically or on disk requires the original file, all placed artwork, all printer and screen fonts used in the original file or in placed art. If you are sending a compressed file, please make sure it is a self expanding file or that it is compressed with Winzip or Stuffit. Include a paper copy of your job with disk(s). If sending your job over the internet, please fax a copy to us. If you are unable to fax, you can mail items to us, understanding that no job can be processed until all items are received. Always keep a copy of your original file(s). DO NOT send your only copy.

Color Requirements for Screen Printing:

All electronic art must be built using Pantone (PMS) colors (not process CMYK builds or RGB), ready for spot color separation.

Color Requirements for Full Color Process: Artwork must be actual color print or built using RGB or CMYK color. PMS color matches are not guaranteed. If artwork for full color is sent electronically it is recommended that it is saved as a 300 dpi eps.

Email:

If sending files via email, attach to your original file all placed artwork, and all fonts; including printer and screen fonts used in your original file and all placed artwork. Our FTP Uploader may be used for large files: www.designitline.com/file-upload/index. Zip or Stuff all files before uploading. Please make sure to include program name, version and platform along with your contact information and P.O. number.

Order Processing Requirements:

All electronic art will require the platform, software and version, file name along with the purchase order, copy of composite art and separations before order can be processed.
